EXTRA! EXTRA! EXTRA!

NEIGHBORLY CALL!!

There's no use kidding ourselves that enlightened self-interest isn't a considerable part of the motive of this and many other excursions made by the Chamber of Commerce members in the past few years. After all....there is a big business to be done in our neighborhood stores!

And that means that a lot of good business can be done with Brisbane Firms... and the members of the Chamber are alive to the responsibility. But a great proportion of business, prices being approximately equal, is done on a friendship basis....with the people we know, and like, and trust.

So, the closer the personal ties with Brisbane, the better it is for all of us! Where there is ACTIVITY...there are better values. When you enter the Brisbane Liquor, Groceries, & Delicatessen Store, you will immediately observe a great business activity. Better VALUES, plus QUALITY, is our slogan. This is the secret of the business activity at the Brisbane Liquor Store. Making it pleasant for YOU to do business with US who serve you, is the aim of our business experience.

You'll be having more guests now that warm weather is here. How about rounding out your cellarette with some traditional summer beverages? If you're having visitors this summer, remember that the odds are against their preferring your brand....or even your favorite product. When you visit relatives out of town, take along a bottle of their favorite summer beverage. Here's YOUR favorite brand! Now, how about a summer chance of pace? Why not take along a fine bottle of rum, gin, or vodka? We have some very good values in along a couple of bottles, a variety of mixed drinks!

MATEO NEEDS REC LEADERS: Volunteer recreation leaders, particularly high school students, are needed to assist the San Mateo recreation department's day camp at Coyote Point. Matt Thiltgen, recreation superintendent, said the camp now is being supervised by a capable staff of trained leaders, but that they need help from six full-time assistants. Anyone interested, even in a few hours a week, should call the department office at the city hall, DI 4-7131, or see Director Lois Little at the camp.

RARE DOG WILL BE SEEN AT SAN MATEO KENNEL CLUB SHOW: The rarest dog in the United States--the Rottweiler--will be featured at the San Mateo Kennel Club show at Bay Meadows August 3rd. Three of these choice dogs will be entered by residents of San Mateo County. Champions Kurt and Heide are owned by Mr. and Mrs. Harry Kramer of Atherton and Zada's Zenda will be entered by Miss Barbara Roloff, 14 Hilltop Road, San Mateo. The Rottweiler is a working dog of great versatility and endurance. He has unusually high intelligence and initiative and a quiet disposition. In Germany, where the dog was developed, it rivals the boxer, shepherd and doberman pinscher in show popularity, but it is only now coming into its own in this country. The show will be judged by Mrs. Hartley Dodge of Girarda Farms, New Jersey. Mrs. Dodge holds the famous Morris and Essix show on her estate each year.

Yours truly, G.R. Lee (in regards item about Beverley Lee visiting the Al Pahlows of 105 Visitacion Ave.)

SAN MATEO CO. KEFAUVER DELEGATION LEAVES FOR CONVENTION: (San Mateo, July 17th): Harold F. Taggart, Democratic candidate for Congress from San Mateo County, today submitted two proposed planks for the Democratic National Platform to Frank W. Rose, leader of the Kefauver Delegation from this county, who will leave for Chicago tonight to attend the National Convention. "It is my belief", said Candidate Taggart, "that these planks will lend considerable material assistance to the following local projects:--1--the southern crossing of San Francisco Bay; 2--the Pillar Point Breakwater; 3--A Federal building for San Mateo County; 4--greater participation for San Mateo County industry in defense contracts; 5--relief from complicated Federal reports by local business." The proposed planks are; PUBLIC WORKS--we favor a continuous planned program for Federal participation with the States in the development of water resources, rivers and harbors, and roads, with priority to those projects which are related to National Defense. BUSINESS:--we favor the use of regional offices for the negotiation, bidding and letting of government, defense, or other contracts, in order that an equitable and diversified program will benefit all industrial sections of the country, and at the same time avoid concentration of plants producing strategic materials.---We favor a studied simplification of all required reporting by business to the Federal Government."----from the HAROLD F. TAGGART CAMPAIGN HEADQUARTERS.
